

CPC's Celebration Ringers Handbell Choir, playing 5 octaves of Malmark handbells and 2 octaves of handchimes, was established in the early-1990s by church member Marguerite Rietveld. As the group grew in size, its members grew in ability and skill, playing difficult music with grace and -- as Marguerite insisted -- *expressively*. The Celebration Ringers are now led by John Bohman, who carries on this tradition of excellence.
